Volunteer Application

Thank you for your interest in volunteering at Kindred Kitties. The time and attention that our volunteers spend with our cats helps to keep them well-socialized and better able to present themselves when people come looking for a pet to adopt. Before you begin volunteering, you will need to complete Volunteer Orientation to learn safe cat handling and general guidelines to better equip you to carry out your volunteer responsibilities.

Note: If you are under 18, you will need to have a parent/guardian accompany you to co-sign your volunteer agreement. If you are under the age of 15, you must be accompanied by an adult during Orientation and at all times during your volunteer hours.
